

MICHELLE RODRIGUEZ RECEIVES ENDORSEMENT FROM NAGE- SEIU LOCAL 5000 FIRST RESPONDERS AND PUBLIC SERVANTS

(Pomona, CA) The National Association of Government Employees (SEIU Local 5000) has announced their endorsement of Michelle Rodriguez for California's 53rd Assembly District. This endorsement recognizes to her commitment to the welfare of first responders and public servants in the District and throughout California.

"I am truly grateful for the support from the National Association of Government Employees. I want to thank all our public servants and first responders who dedicate their lives to the safety and service of their community," stated Michelle Rodriguez. "I am resolved in my commitment and advocacy to ensuring that their bravery and dedication are met with the support and resources they deserve."

Philip Pettit, NAGE EMS Divisional Director, commended Rodriguez's genuine understanding of the struggles faced by working-class families and her dynamic leadership in fostering a safe and inclusive community. **"Michelle's ability to listen to her constituents, address their concerns, and take decisive action has earned her the respect and admiration of many. Her unwavering dedication to the welfare of our district, support for first responders, advocacy for public safety, and understanding of the challenges faced by working-class families make Michelle Rodriguez the ideal representative for the 53rd Assembly District."**

With her tenure on the California POST Commission, Michelle Rodriguez is at the forefront of enhancing law enforcement training, drawing from her hands-on experience in healthcare and educational settings within the 53rd district. As a dedicated mother and grandmother, Rodriguez, alongside her husband, Assemblymember Freddie Rodriguez, has instilled the values of public service in their family.

About the National Association of Government Employees (NAGE): Affiliated with the Service Employees International Union, NAGE represents the interests of thousands of public employees and first responders. Their membership includes "public and private workers; federal, state, county, and municipal employees; police officers, firefighters, correctional officers, health care workers; nurses, paramedics, and emergency medical technicians; office workers; and professional workers."
